Would you like to join the Board of Directors?

Stratherrick and Foyers Community Trust Ltd has a board of local volunteer directors who are either elected by the membership of the Trust or co-opted by the other Directors for their particular skills and experience. Directors can serve for up to six years. Every AGM some directors have to stand down. If there are more candidates for Member Directors than vacant places on the Board, then an election is conducted at the AGM with all members of the Trust having one vote. Once the new Board is in place, they can co-opt additional directors during the year to help the Trust run its business. All co-opted directors stand down at the first AGM following their appointment. Stratherrick and Foyers Community Council nominate one person to be Liaison Director to the Board. Information on current directors is always lodged with Companies House.
