

## The Wildside Centre Landscaping Design Team!

We would love to transform the grounds around The Wildside Centre and make it fit for purpose, so that the community can begin to enjoy the outdoor spaces around The Wildside Centre. We would like to get a group of enthusiasts who would like to input their ideas, wants and needs into the design and help transform it into a place where you might stop off for a picnic, let the kids safely run about, sit on benches, take in the view by the river, see vintage machinery...the list goes on.

We need to put some of the ideas into motion, but we need to know what you want and we need you to help make it happen.

If you would like to be involved in supporting this project then please join us for an informal Zoom chat and we can start to share ideas together!

**MONDAY 22<sup>ND</sup> MARCH, 7:30pm**

If you cannot attend but would like to send in your suggestions and be kept informed about the groups ideas and decisions then please email us, the more ideas the better!

Thank you!
