Free Food Boxes

We have been successful in applying to SSE Networks resilient communities fund and we also have funding from the Trust to enable us to offer anyone in our Community a free food box delivered to their home if they need one.

The box will include some food essentials along with fresh fruit and vegetables.

If you are struggling financially or finding it difficult to get shopping, please phone or text the number below to let us know if you would like this service. We would need your address also.

Alternatively, you can email

email.sfcc@aol.com

Any enquiry/request will be dealt with in the strictest confidence

We are trying to get this message out to all but as we don't have emails and/or home addresses for everyone, could you please help us by spreading the word.

Thank you
